

## 2008 ORDER FORM

I would like to order the following items to help me with my Dockwalking activities:

ITEM	QUANTITY
1. Dockwalker hats (1 per Dockwalker)	_____
2. Clipboards to hold boater surveys	_____
3. 2008 Boater kits (42 boater kits per order)*	_____
4. Activity Tracking form	_____

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

PHONE: \_\_\_\_\_

\* Once you send us the completed boater surveys, your are welcome to order more boater kits

Use this form to call, email, or fax Vivian Matuk to place orders for any of these materials at (415) 904-6905, [vmatuk@coastal.ca.gov](mailto:vmatuk@coastal.ca.gov).

✂-----✂

### The Clean Boater Survey

Here's how it works:

- Before giving the boater kit to the boater, ask the boater to take a 2 minute survey. Explain to the boater that the information collected in the survey will help to better orient our education and outreach efforts
- Keep the boater survey attached to your clipboard (which you can order from us).
- Have the boater fill out the survey.
- Conduct the face-to-face boater education by showing to the boater each of the items included in the boater kits and explaining the messages associated to each of the items.
- Give the boater kit to the boater.
- Return all the boater surveys you collect during the boating season to us
- The three Dockwalker who send us the most number of completed boater surveys by November 11, 2008 will win a jacket from West Marine

### Don't forget the essential principles of Dockwalking...

(1) Please remember that you are an **EDUCATOR**, not an enforcement officer. Limit your activities as a Dockwalker to education and outreach.

(2) Be polite and friendly at all times.

(3) Contact a marina operator or harbormaster before Dockwalking in that facility to make sure that they support your efforts. At least two weeks before you plan to Dockwalk, call or drop in and describe the type of education you do. Show them the boater kits and emphasize that educated boaters help to keep marinas clean. Sometimes the marina will have to provide you with keys or other access to locked gates.

(4) Make sure you know about local marina waste disposal (oil, sewage, and absorbent pad) facilities and local household hazardous waste facilities before you start Dockwalking. Check out the Tide Tables in the boater kits. They list marina oil and sewage facilities. Call 1(800)CLEANUP or visit [www.earth911.org](http://www.earth911.org) and enter your zip code for local disposal information.
