Lee Otter
Sharif Traylor

Volunteers and Interns:

Dave Basler
Jenna Casey
Kate Dallas
Lisa Dreesman

Lisa Nunes
Elena Nilsen
Katie Morange

Cartography and GIS development:

Greg Benoit
Kelly Cuffe

Allyson Hitt
Rosalyn Icove

Acknowledgements: Coastal Commission staff appreciates the assistance of the staff of the Monterey County 21st Century General Plan General Plan Update team and the Monterey County Planning and Building Inspection Department in providing data, mapping assistance, and research as part of this report.

This Report was prepared with financial assistance from the Office of Ocean and Coastal Resource Management, National Oceanic and Atmospheric Administration, under the provisions of Section 309 of the Coastal Act Reauthorization Amendments of 1990.

Draft Findings of the Monterey County Periodic Review Table of Contents

SECTION	PAGE
CHAPTER 1: Introduction	3
A. Monterey County Local Coastal Program: Subject of Periodic Review	3
1. Monterey County's Coastal Zone	3
2. Local Coastal Program History and Content	4
3. Post-Certification Permits and Appeals	5
4. Summary of Changes Since Certification	6
5. Local Coastal Program Amendments	7
B. Monterey County Periodic Review - Overview	8
1. Purpose and Authority of Periodic Review	8
2. Benefits of Conducting a Periodic Review	9
3. Determination of Issues Covered in This Review	9
4. Presentation of Periodic Review Analysis	10
5. Results of Monterey County Periodic Review: Recommendations	11
6. Relationship With the 21 st Century Monterey County General Plan Update	13
CHAPTER 2: Land Use and Public Works Infrastructure	19
A. Coastal Act Policy Framework	19
B. Monterey County Certified Local Coastal Program	20
1. Background	20
2. Summary of Local Coastal Program Provisions	21
C. Local Coastal Program Implementation Issues	22
1. Overview of Issues and Recommendations	22
a. Agricultural Issues	23
b. Public Service Issues	23
(1) Water Supply	23
(2) Road Capacity and Design	23
(3) Wastewater Treatment	24
c. Land Use Designation and Density Issues	24
d. Other Land Use Issues	25
2. Issues Analyzed in Detail	25
a. Issue LU-8: Protection of North County Water Supply and Agriculture	25
(1) Overview	25
(2) Resource Background	27
Groundwater and Agriculture Characterization	27
Threats to Groundwater Resource	29
Responses to Protect Groundwater Resource	30
(3) Local Coastal Program Provisions	32
Groundwater Overdraft	32

SECTION	PAGE
Protection of Agriculture	33
(4) Local Coastal Program Implementation	34
Permit Review: Subdivisions	34
Permit Review: Residential and Agricultural Permits	36
Funding Water Supply Planning	37
Proof of Water Availability for New Subdivisions	37
(5) Analysis of Coastal Act Conformance	38
Implementation of Provisions to Allow New Development	38
Implementation of Provisions for Agricultural Water Use	39
Conclusion	40
b. Issue LU-9: Water Supply in the California-American Water Company Service Area	41
(1) Overview	41
(2) Resource Background	42
Monterey Peninsula Water Supply Characterization	42
Threats to Carmel River Resources	44
Responses to Protect Carmel River Resources	45
(3) Local Coastal Program Provisions	46
Carmel Area Provisions	46
Del Monte Forest Provisions	48
Countywide Provisions	48
(4) Local Coastal Program Implementation	48
Development Authorizations	49
Private Wells	50
Del Monte Forest Area: Priority Uses for Water	51
(5) Analysis of Coastal Act Conformance	51
Implementation of Policies Authorizing Additional Water Use	51
Implementation of Provisions to Allow Wells	52
Implementation of Reclamation Offset	53
Development of New Water Supplies	54
Conclusion	55
c. Issue LU-10: Big Sur Valley Water Supply	57
(1) Overview	57
(2) Resource Background	57
Sycamore Canyon Watershed Characterization	58
Big Sur River Watershed Characterization	59
Threats to Watershed Resources	62
Responses to Enhance Watershed Resources	63
(3) Local Coastal Program Provisions	64
Water Supply and Use	65
Rivers and Streams	65
(4) Local Coastal Program Implementation	67
Permit Review	67
Planning Experience	67

SECTION	PAGE
(5) Analysis of Coastal Act Conformance	68
Implementation of Provisions to Address Water Use Comprehensively ...	68
Conclusion	68
d. Issue LU-11: Moss Landing Community Plan	69
(1) Overview	69
(2) Resource Background	70
Moss Landing Community Characterization	70
Threats to Community Resources	71
Responses to Improve Moss Landing Community	72
(3) Local Coastal Program Provisions	73
Coastal-Dependent Uses	74
General Commercial Uses	74
Recreational and Visitor-Serving Uses	74
Public/Quasi-Public Uses	75
Heavy Industry	75
General Development Plans	76
Other Relevant Land Use Policies	76
Design Provisions	77
North Harbor Area	77
The Island	78
Moss Landing Road	78
(4) Local Coastal Program Implementation	79
Permit Review: Maintaining Existing Land Uses	79
Permit Review: Changed Land Uses	81
Permit Review: Development Influenced by Coastal Commission Actions	81
(5) Analysis of Coastal Act Conformance	85
Implementation of Provisions for the North Harbor Area	85
Implementation of Provisions for the Highway One Corridor	86
Implementation of Provisions for Moss Landing Road	86
Implementation of Provisions for the South Harbor Area	87
Implementation of Provisions for the Island	88
LCP Implementation Regarding Appropriate Design	89
LCP Implementation Regarding Habitat Protection	89
Conclusion	90
e. Issue LU-12: Carmel Area Uplands	91
(1) Overview	91
(2) Resource Background	92
Carmel Uplands Characterization	92
Threats to Carmel Uplands Resources	93
Responses to Protect Carmel Upland Resources	93
(3) Local Coastal Program Provisions	93
(4) Local Coastal Program Implementation	99
New Subdivisions	99

SECTION	PAGE
Lot line adjustment Permits	99
New Home Permits.....	101
Other County Actions	103
(5) Analysis of Coastal Act Conformance	104
Implementation of Provisions Allowing New Development.....	104
Implementation of Overall Management Plans and Clustering Provisions	105
Conclusion	106
f. Issue LU-13: Big Sur Coast Highway Management Plan.....	108
(1) Overview	108
(2) Resource Background.....	109
Highway One Characterization.....	109
Threats to Highway One Resource	111
Responses to Enhance Highway One	114
(3) Local Coastal Program Provisions	117
(4) Local Coastal Program Implementation	123
Permit Review	123
Management Experience	124
(5) Analysis of Coastal Act Conformance	124
Highway One Design.....	125
Encouraging Non-motorized Travel and Recreational Uses	126
Managing Traffic.....	127
Coordination with Caltrans.....	129
Conclusion	129
g. Issue LU-14: Highway One and the Moss Landing Corridor	130
h. Issue LU-15: Fort Ord	139
i. Issue LU-16: Armstrong Ranch	142
 CHAPTER 3: Environmentally Sensitive Habitat Areas	 147
A. Coastal Act Policy.....	147
B. Monterey County Certified Local Coastal Program	149
1. Background	149
2. Summary of Local Coastal Program Provisions	151
C. Local Coastal Program Implementation Issues.....	152
1. Overview of Issues and Recommendations	152
2. Issues Analyzed in Detail.....	156
a. Issue SH-28: Protecting Central Maritime Chaparral Habitat.....	156
(1) Overview	156
(2) Resource Issue Background.....	157
Central Coast Maritime Chaparral Habitat Characterization.....	157
Threats to Resources.....	161
Responses to Threats	164
(3) Local Coastal Program Provisions	165
Land Use Designations Over Chaparral	165

SECTION	PAGE
Specific Chaparral Provisions.....	165
Applicable General ESHA Provisions.....	165
(4) Local Coastal Program Implementation.....	166
Subdivision Permit Review	167
Residential Permit Review	167
Case Study Using Aerial Photography	167
Easements	168
(5) Analysis of Coastal Act Conformance	168
Issuance of Permits for Development In Maritime Chaparral.....	168
Implementation of Permits for Subdivision.....	170
Implementation of Long-Term Maritime Chaparral Protection Measures	171
Conclusion	172
b. Issue SH-29: Protection of Monterey Pine Forest Habitat	176
(1) Overview	176
(2) Resource Issue Background.....	178
Pine Forest Habitat Characterization	178
Distribution and Range	178
Habitat Associations	179
Pine Ecology	181
Characterization of Pine Forest Subtypes.....	182
Threats to Resources.....	185
Development Impacts	185
Pine Pitch Canker.....	186
Responses to Threats	187
(3) Local Coastal Program Provisions:	190
Land Use Designations over Pine Forest.....	190
Pine Forest Policies.....	191
LCP ESHA Definitions and Policies	193
Exceptions.....	195
(4) Local Coastal Program Implementation.....	196
Subdivisions and Major Developments	197
Monterey Pine Protection on Individual Parcels	198
General CDP Sample	199
Cypress Point Case Study	200
(5) Analysis of Coastal Act Conformance	205
Identification of Monterey Pine Forest ESHA	206
Factors in Identifying Monterey Pine Forest ESHA.....	210
Avoiding Monterey Pine ESHA	212
Mitigation of Monterey Pine ESHA Impacts	213
Managing Monterey Pine Forest Habitat.....	215
Conclusion	216
c. Issue SH-30: Protection of Western Snowy Plover Habitat	217
d. Issue SH-31: Protection of Coastal Dunes	222

SECTION	PAGE
CHAPTER 4: Water Quality & Marine Resources	231
A. Coastal Act Policy Framework	231
B. Monterey County Certified Local Coastal Program	231
1. Background	231
2. Summary of Local Coastal Program Provisions	232
C. Local Coastal Program Implementation Issues	233
1. Overview of Issues and Recommendations	233
a. General Water Quality Protection	234
b. Specific Watershed Initiatives	234
2. Issues Analyzed in Detail	235
a. Issue WQ-8: North County Water Quality and Watershed Restoration	235
(1) Overview	235
(2) Resource Background	235
Watershed Characterization	235
Threats to Watershed Resources	236
Responses to Enhance Watershed Resources	240
(3) Local Coastal Program Provisions	243
Land Use and Density Provisions	243
Development Controls	244
Comprehensive Plans	244
(4) Local Coastal Program Implementation	245
Permit Review	245
Planning Experience	246
(5) Analysis of Coastal Act Conformance	247
Implementation of Erosion Control Provisions	247
Implementation of Provisions to Address Existing Causes of Non-Point Source Pollution	248
Conclusion	249
b. Issue WQ-9: Carmel Bay Area of Special Biological Significance and Ecological Reserve	250
(1) Overview	250
(2) Resource Background	251
Carmel Bay ASBS and Ecological Reserve Characterization	251
Characterization of Watersheds Feeding into Carmel Bay ASBS and Ecological Reserve	253
Threats to Carmel Bay Resources	254
Responses to Enhance Carmel Bay Resources	256
(3) Local Coastal Program Provisions	258
(4) Local Coastal Program Implementation	261
(5) Analysis of Coastal Act Conformance	262
Implementation of Coverage Limitations	262
Conclusion	263

SECTION	PAGE
CHAPTER 5: Public Access and Recreation	267
A. Coastal Act Policy.....	267
B. Monterey County Certified Local Coastal Program	268
1. Background	268
2. Summary of Local Coastal Program Provisions	272
C. Local Coastal Program Implementation Issues.....	273
1. Overview of Issues and Recommendations	273
a. Shoreline Access Issues.....	274
b. Other Visitor-Serving Recreational Issues	275
2. Issues Analyzed in Detail.....	276
a. Issue PA-10: Coastal Access Points	276
(1) Overview	276
(2) Resource Issue Background.....	277
Characterization of Public Access Points	277
Responses to Enhance Public Access Points	278
(3) Local Coastal Program Provisions	279
(4) Local Coastal Program Implementation	281
(5) Analysis of Coastal Act Conformance	286
Implementation of Access Point Provisions by Planning Area.....	286
Implementation of General Access Point Provisions	289
Follow-through on Access Implementation.....	290
Format and Presentation of the Access Component.....	291
Conclusion	291
b. Issue PA-11: Coastal Trail System.....	292
(1) Overview	292
(2) Resource Background.....	292
Coastal Trails Characterization.....	292
Threats to Coastal Trail Resources	294
Responses to Enhance Coastal Trails	295
California Coastal Trail.....	295
Monterey Bay Sanctuary Scenic Trail	296
Other Trail Planning	297
(3) Local Coastal Program Provisions	298
(4) Local Coastal Program Implementation	299
(5) Analysis of Coastal Act Conformance	304
Implementation of Trails Provisions	305
Trail Design Standards	308
Trail Presentation Format	308
Conclusion	309
c. Issue PA-12: Road Abandonment	309
d. Issue PA-13: Recreational Units in Big Sur	310
CHAPTER 6: Coastal Hazards	317
A. Coastal Act Policy Framework	317

SECTION	PAGE
B. Monterey County Certified Local Coastal Program	318
1. Background	318
2. Summary of Local Coastal Program Provisions	318
a. Hazard Identification	318
b. General Hazard Avoidance.....	319
c. Shoreline Hazards.....	319
d. Fire Hazards.....	320
e. Flood Hazards.....	321
f. Other Hazards.....	321
C. Local Coastal Program Implementation Issues.....	321
1. Overview of Issues and Recommendations	321
a. Shoreline Hazard Issues.....	322
b. Flooding Issues.....	323
c. Slope and Fire Hazards Issues	323
2. Issues Analyzed in Detail.....	323
a. Issue CH-8: Del Monte Forest Shoreline Erosion	324
(1) Overview	324
(2) Resource Background.....	324
Shoreline Characterization.....	324
Threats to Shoreline Resources	325
Responses to Shoreline Threats	326
(3) Local Coastal Program Provisions	327
(4) Local Coastal Program Implementation	327
Permit Review In General	327
Permit Review Influenced by Coastal Commission Actions.....	329
(5) Analysis of Coastal Act Conformance	330
Implementation of Provisions to Consider Alternatives.....	331
Implementation of Provisions Protecting Existing Development	331
Implementation of Provisions for Mitigation Measures.....	332
Conclusion.....	334
b. Issue CH-9: Rural Fire Standards.....	335
(1) Overview	335
(2) Resource Background.....	335
Rural Area Characterization and Threats to Rural Resources.....	335
Responses to Rural Fire Threats	336
(3) Local Coastal Program Provisions	338
Fire Prevention Policies.....	338
Road and Grading Minimization Policies.....	339
Habitat Protection Policies	340
Scenic Protection Policies.....	341
Resolving Conflicts Among Policies.....	341
(4) Local Coastal Program Implementation.....	341
Applying Fire Protection Measures.....	341
Balancing Fire Protection and Resource Protection	342

SECTION	PAGE
(5) Analysis of Coastal Act Conformance	344
Implementation of Fire Avoidance Provisions	344
Implementation of Fire Prevention Provisions	344
Conclusion	346
c. Issue CH-10: Carmel River Mouth Breaching	347
d. Issue CH-11: Salinas River Mouth Breaching	351
e. Issue CH-12: Tembladero Slough	353
f. Issue CH-13: Pajaro River	354
 CHAPTER 7: Scenic Resources	 359
A. Coastal Act Policy Framework	359
B. Monterey County Certified Local Coastal Program	359
1. Background	359
2. Summary of Local Coastal Program Provisions	360
C. Local Coastal Program Implementation Issues	361
1. Overview of Issues and Recommendations	361
a. Important Viewsheds	362
b. Historic Resource and Community Character	362
c. Types of Development with Potential Adverse Visual Impacts	363
2. Issues Analyzed in Detail	363
a. Issue SR-10: Big Sur Critical Viewshed	363
(1) Overview	363
(2) Resource Background	364
Critical Viewshed Characterization	364
Threats to Visual Resources	369
Responses to Protect Visual Resources	369
(3) Local Coastal Program Policies	370
Critical Viewshed Policies	370
Scenic Resource Protection Policies for Development not in the Critical Viewshed	376
Regulatory Requirements for Viewshed Development	377
Programs to Protect the Critical Viewshed	377
(4) Local Coastal Program Implementation	379
Permit Review: Overview	379
Permit Review: New Development on Vacant Parcels in the Critical Viewshed	379
Permit Review: New Development on Vacant Parcels in Critical Viewshed Exception Areas	380
Permit Review: Additions and Remodels to Existing Development in the Critical Viewshed	383
Permit Review: Additions and Remodels to Existing Development in Critical Viewshed Exception Areas	385
Permit Review: Visibility from Trails	387
Highway Corridor Changes	388

SECTION	PAGE
Permit Review: Acquisitions, TDC, and Restoration	388
(5) Analysis of Coastal Act Conformance	390
Implementation of Regulatory Provisions	390
Development Review Process	393
Implementation of Non-regulatory Scenic Viewshed Protection Provisions	394
Implementation of Viewshed Restoration Provisions	396
Conclusion	397
b. Issue SR-11: Carmel Area Community Character	399
(1) Overview.....	399
(2) Resource Background.....	399
Community Characterization.....	399
Threats to Community Character Resources	402
Responses to Protect Carmel Area Community Character.....	402
(3) Local Coastal Program Provisions.....	403
(4) Local Coastal Program Implementation	407
(5) Analysis of Coastal Act Conformance	497
Implementation of Design Criteria	408
Conclusion.....	409
 CHAPTER 8: Archaeological, Cultural & Paleontological Resources	 413
A. Overview.....	413
B. Coastal Act Policy Framework	414
C. Monterey County Certified Local Coastal Program	414
1. Resource Background	414
2. Local Coastal Program Provisions.....	415
C. Local Coastal Program Implementation.....	418
D. Analysis of Coastal Act Conformance.....	420
 CHAPTER 9 - Energy	 425
A. Coastal Act Policy Framework	425
B. Monterey County Certified Local Coastal Program	425
C. Local Coastal Program Implementation Issues.....	426
 CHAPTER 10: Implementation & Administration	 429
A. Coastal Act Policy Framework	429
B. Monterey County Certified Local Coastal Program	429
C. Preliminary Local Coastal Program Implementation Issues	430
1. Overview	430
2. Issues Analyzed In Detail	431
a. Issue IM-1: Enforcement	431
(1) Enforcement Program and Cases Background	431
Tracking of Violations.....	431
Nature of Violations	432

SECTION	PAGE
Penalties	432
Program Management.....	433
Public Input.....	434
(2) Implementation Issues	434
b. Issue IM-2: Easement Program	435
(1) Easement Program Background	435
(2) Implementation Issues	439
3. Other Implementation Issues	440
a. Issue IM-3: Coastal Zone Boundary and Permit Jurisdiction.....	440
(1) Background.....	440
(2) Implementation Issues	440
b. Issue IM-4: Exemptions and Emergencies	440
(1) Background.....	440
(2) Implementation Issues	440
c. Issue IM-5: Amendments and Extensions of Locally Approved Coastal Development Permits	441
(1) Background.....	441
(2) Implementation Issues	441
d. Issue IM-6: Allowable Uses, Conditional Uses, Non-conforming Uses, and Variances	442
(1) Background.....	442
(2) Implementation Issues	442
e. Issue IM-7: Application Requirements.....	442
(1) Background.....	442
(2) Implementation Issues	442
f. Issue IM-8: Noticing	443
(1) Background.....	443
(2) Implementation Issues	443
g. Issue IM-9: Local Coastal Program Amendments and Documents	443
(1) Background.....	443
(2) Implementation Issues	443
h. Issue M-10: Intergovernmental Coordination	444
(1) Background.....	444
(2) Implementation Issues	444
I. Issue IM-11: Information Updating	445
(1) Background.....	445
(2) Implementation Issues	445

Appendices

Appendix	Title
Appendix A:	Preliminary Staff Analysis of Some Periodic Review Issues and Recommendations (dated February 12, 2003)
Appendix B:	Coastal Access Points – Implementation Evaluation and Recommendations
Appendix C:	Coastal Trails – Implementation Evaluation and Recommendations
Appendix D:	Preliminary Recommendations to Other Entities
Appendix E:	Comparison of Rural Fire Hazards and Management Standards in Monterey County Coastal Zone

List of Tables

Table	Title
Table LU-8.1	“Sustainable Yield” of North Monterey County Hydrogeologic Sub-Areas
Table LU-12a	Major Land Holdings in the Carmel Area Uplands
Table SH-28a	Sensitive Plant Species Associated with Maritime Chaparral in Monterey County
Table SH-28b	Example of Potential Guidance Document Format and Information to be Included when Identifying and Describing Central Maritime Chaparral ESHA
Table SH-29a	Monterey Pine Forest Areas and Other Land Uses in Del Monte Forest Planning Area in 1996.
Table SH-29b	Special-Status Plant Species Known or with Potential to Occur in Monterey Pine Forest on the Monterey Peninsula of California.
Table SH-29c	Special-Status Wildlife Species Known or with Potential to Occur in Monterey Pine Forest on the Monterey Peninsula of California (c. 1999).
Table SH-29d	Monterey Pine Acreages on the Ecological Staircase
Table SH-29e	Coastal Development Permits Reported in the Del Monte Forest Planning Area, 1988-2002
Table SH-29f	Coastal Permits in Cypress Point Area
Table SH-30a	Example of Potential Guidance Document Format and Information to be Included when Identifying and Describing Western snowy plover ESHA

Table	Title
Table SH-31a	Example of Potential Guidance Document Format and Information to be Included when Identifying and Describing Coastal Dune ESHA
Table PA-10a	Recreational Lands in Monterey County Coastal Zone
Table PA-10b (in Appendix B)	Coastal Access Points – North County Coastal Planning Area
Table PA-10c (In Appendix B)	Coastal Access Points – Del Monte Forest Planning Area
Table PA-10d (in Appendix B)	Coastal Access Points – Carmel Planning Area
Table PA-10e (in Appendix B)	Coastal Access Points – Big Sur Coastal Planning Area
Table PA-10f	Summary of Implementation of Coastal Access Point Recommendations
Table PA-11a (in Appendix C)	Coastal Trail Segment Information – North County Planning Area
Table PA-11b (in Appendix C)	Coastal Trail Segment Information – Del Monte Forest Planning Area
Table PA-11c (in Appendix C)	Coastal Trail Segment Information – Carmel Planning Area
Table PA-11d	Public Access Trails in Monterey County Coastal Zone
Table PA-13.1	Descriptions and Densities for Various Types of Visitor Units and Campsites in Big Sur Planning Area
Table CH-9a (in Appendix E)	Comparison of Rural Fire Hazards and Management Standards that Apply in Monterey County Coastal Zone.
