

Waves, Wetlands, and Watersheds

FREE WORKSHOP for EDUCATORS

Wednesday, September 20, 2017, 4-6 pm
Environmental Discovery Center
Spring Lake Regional Park
393 Violetti Road, Santa Rosa

Join the California Coastal Commission and Sonoma County Regional Parks for a free teacher workshop. You'll receive a copy of the *Waves, Wetlands, and Watersheds* science activity guide for teachers and learn about a project your students can do to gain experience in the NGSS Science and Engineering Practices while also improving your school environment.

Space is limited. **Please register by September 15** to Annie.Frankel@coastal.ca.gov, (415) 597-5888. Include the spelling of your name, email, phone number, grade(s) taught and your school or organization as applicable. Formal, non-formal, and pre-service educators are encouraged to attend. Best for grades 5 and up, but all levels are welcome.

For more information, visit coastforyou.org
